Marta Violette Kot
10:00 AM - 2:00 PM | pg. 33

WEEK 1: JUNE 21 – JUNE 25

Creating a Personal Still Life (Ages: 5-9)

Marta Violette Kot

Week 1 | June 21 - June 25

5 Days | 9:00 AM - 12:00 PM

In this camp, students will be focusing on clay sculpting, drawing and painting a mixed media still-life, and printmaking. There may be exposure to works and stories of well-known artists, visits to the Silvermine galleries and outside landscape painting and drawing. There will be outdoor games during snack breaks, gentle group critiques, and group reading. Children will have time throughout each day to explore and use various materials to create their own artwork along with the assigned projects for the week.

\$380.00

Drawing Exploration Pastels, Pen & Ink (Ages: 9-12)

Wendy MacCordy

Week 1 | June 21 - June 25

5 Days | 9:00 AM - 12:00 PM

Learn a variety of drawing media including pastels, charcoal, pens and inks. You will learn hatching, stipple, line, brushwork and even unusual techniques, as you work from still life set ups, landscape and self-portraits. Various papers, methods of starting and application and techniques will be covered to develop their unique artistic voice and gain informed and valuable drawing skills.

\$380.00

Youth Pottery Exploration (Ages: 7-11)

Jon Puzzuoli

Week 1 | June 21 - June 24

4 Days | 9:00 AM - 12:00 PM

Let your child's love of clay continue and build in this pottery workshop. Each day will have a unique project that gives each student room to explore their own spin on a topic. More sculptural elements and advanced techniques will be explored. We will use slabs, pinch pots, coils and various texturing tools to turn a lump of earth into a piece of art! The last day we will add color with under glazes. Clay pieces take three to four weeks to be fired. The school office will notify parents when pieces are ready to be picked up.

\$350.00

Butterfly & Pollinator Puppets (Ages: 4-6)

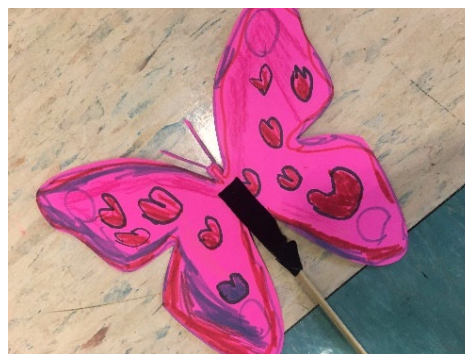

Adelka Polak

Week 1 | June 21 - June 25

5 Days | 9:30 AM - 12:30 PM

Make rod puppets and draw gardens full of flowers while learning about the amazing lives of pollinators, including butterflies, dragonflies, flies, hummingbirds and bees every day. Participants will spend time inside the studio and outdoors near the pond where dragonflies love to visit.

\$380.00

Concentration on Drawing (Ages: 14-17)

Justin Wiest

Week 1 | June 21 - June 25

5 Days | 9:30 AM - 12:30 PM

Aspiring artists require solid drawing skills to enhance their creative process. This class investigates various materials and techniques of drawing. Landscape, still life, and the portrait will be some of the subjects students will deal with in this class. The instructor will give demonstrations and lead group critiques. Students will also be given tips on the importance of drawing in their portfolio development.

\$410.00

Landscape Drawing & Painting (Ages: 14-17)

Nomi Silverman

Week 1 | June 21 - June 25

5 Days | 9:30 AM - 12:30 PM

Working outdoors, around the beautiful Silvermine campus, students will explore the many facets of the landscape. We will explore composition, develop tonal sketches, achieve perspective; good color sense, and translate it all into a dynamic landscape. Through demonstration and personal artistic guidance, each student will develop their unique artistic voice and gain informed and valuable skills. Students may work with a variety of drawings to learn the traditional techniques such as proportion, shading, and composition.

\$380.00

Youth Metal Sculpture (Ages 14-18)

Justin Perlman

Week 1 | June 21 - June 24

4 Days | 9:30 AM - 12:30 PM

This is an intensive workshop for all levels. We will learn the methods and techniques to create traditional, contemporary and functional three-dimensional pieces of art. There will be demonstrations of various pieces of equipment and electric arc welding. Among many other lessons, forging will introduce students to the concept of annealing and hardening of metal. Students should wear work boots, long pants and sleeved cotton clothing and bring work gloves. Long hair must be tied back.

\$390.00

Creating a Personal Still Life (Ages: 8-12)

Marta Violette Kot

Week 1 | June 21 - June 25

5 Days | 1:00 PM - 4:00 PM

In this camp, students will be focusing on clay sculpting, drawing and painting a mixed media still-life, and printmaking. There may be exposure to works and stories of well-known artists, visits to the Silvermine galleries and outside landscape painting and drawing. \$380.00

Pottery: Throw On! (Ages: 11-16)

Jon Puzzuoli

Week 1 | June 21 - June 24

4 Days | 1:00 PM - 4:00 PM

Whether you have taken classes before or have never been on the wheel, during this workshop you will learn the basics of working on the potter's wheel in a supportive environment. We will throw bowls, and learn small plates and vase forms and decoration techniques (including glazing) will be taught with lots of hands-on instruction and demonstrations. The school provides the clay. Clay pieces take three to four weeks to be fired. The school office will notify parents when pieces are ready to be picked up.

\$350.00

The Iconic Lettering Scripts of Harry Potter (Ages: 10-14)

Moki Kokoris

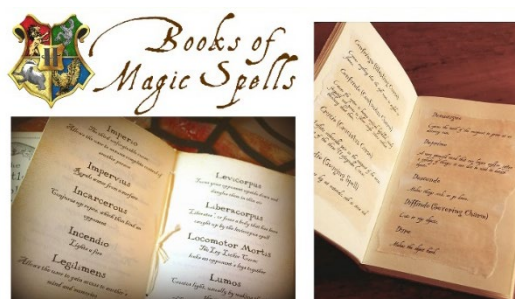

Week 1 | June 21 - June 25

5 Days | 1:00 PM - 4:00 PM

Come join us in the Silvermine Chamber of Scribes... to prove that the pen really is mightier than the sword (and infinitely easier to write with)! With an emphasis on fountain pen handwriting (basics of Cursive), attendees of the Harry Potter Scripts Summer Art Studio will first learn how to construct the iconic lettering styles of Albus Dumbledore and Headmistress

McGonagall using a cartridge fountain pen or the pointed steel-nibbed dip pen. Applying these new skills, each child will choose, design, and create one Harry Potter-themed project per 5-day camp session. In the process, we will explore the different components of layout, illustration, paper engineering, and even learn simple book-binding. For those who wish to register for a full-day camp, children are welcome to work on one project during the morning session, and a different one in the afternoon. Individual projects include: a variant of a folding Marauder's Map, a Book of Magic Spells or Potions, a Manual of Wand Motions, a Collection of Harry Potter quotations, A Whomping Willow collage, and an acceptance letter to Hogwarts School (in scroll format). "Words are, in my not-so-humble opinion, our most inexhaustible source of magic."

\$380.00

Youth Oil Painting (Ages: 14-17)

Nomi Silverman

Week 1 | June 21 - June 25

5 Days | 1:30 PM - 4:30 PM

Teens will learn about the beautiful and unique features of painting. We will learn about setting up a palette, color mixing, media, care of materials, and safety. Students will be guided through the process of creating painting. Composition and perspective will be taught as we work both in the studio and outside.

\$380.00

Curious Critters! (Ages: 4-6)

Adelka Polak

Week 1 | June 21 - June 25

5 Days | 1:30 PM - 4:30 PM

We will learn how to make totally interactive art with spiders that weave, bugs that crawl, insects that fly and frogs that hop both through drawings and puppets made from everyday materials. This is sure to capture the curiosity of every young mind!

\$380.00

WEEK 2: JUNE 28 – JULY 2

Architecture: Building with Wood and Other Materials (Ages: 5-9)

Marta Violette Kot

Week 2 | June 28 - July 02

5 Days | 9:00 AM - 12:00 PM

In this camp, students will be focusing on exploration with clay, drawing and painting, and using Legos in art. There may be exposure to works and stories of well-known artists, visits to the Silvermine galleries and outside landscape painting and drawing. There will be outdoor games during snack breaks, gentle group critiques, and group reading. Children will have time throughout each day to explore and use various materials to create their own artwork along with the assigned projects for the week.

\$380.00

Drawing People in Color with Pastels (Ages: 14-17)

Nomi Silverman

Week 2 | June 28 - July 02

5 Days | 9:00 AM - 12:00 PM

Play with color in oil pastels while you learn the basics of drawing. Students will develop an understanding of gesture, proportion, and structural anatomy by working from a costumed model every week. Instructor demonstrations will showcase the block-in method for figure construction and simplified color theory. Take home the tools to capture the essence of a human, plus several figure drawings in rich color.

\$420.00

Painting with Watercolors (Ages: 11-15)

Wendy MacCordy

Week 2 | June 28 - July 02

5 Days | 9:00 AM - 12:00 PM

Students will explore a variety of watercolor techniques including wet on wet, wet-on dry, dry on dry and more! Students will work from model, landscape and still life to create a variety of pieces and improving their watercolor skills throughout the week.

\$380.00

Youth Pottery Exploration (Ages: 7-11)

Jon Puzzuoli

Week 2 | June 28 - July 01
