This is your opportunity to help support the Silvermine School of Art Children's Scholarship Fund. Help support the Silvermine School of Art Scholarship Fund, and provide young artists with the opportunity to further their creative talents. In years past we have been able to provide up to 60 youth scholarships to children in need. After the difficulties of the last two years, we hope to exceed that goal and expand our reach to under-resourced communities.

Volunteers needed! Please contact the School Office if you would like to help!
