## Silvermine Arts Center

### COVID-19 Assumption of Risk

COVID-19, is highly contagious and declared a worldwide pandemic by the World Health Organization. People can be infected and show no symptoms and therefore spread the disease. COVID-19 can cause serious and potentially life-threatening illness and even death. The Silvermine Arts Center cannot prevent you (or your family members) from becoming exposed to, contracting, or spreading COVID-19 while utilizing the Center's services or premises. Therefore, if you choose to utilize the Center's services and/or enter onto Center's premises you understand, acknowledge and accept the risks that you may be exposing yourself to and/or increasing your risk of contracting or spreading COVID-19.

### COVID-19 Mask Requirements

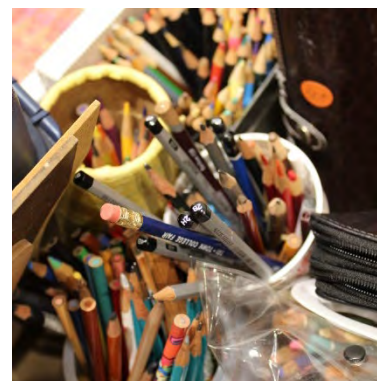

Masks are required to be worn by everyone when indoors in all Silvermine buildings and studios, regardless of vaccination status. Outdoors masks are not required.

### COVID-19 Protocols

Silvermine is setting a max capacity in every studio. Depending on the class and the instructor's request, the maximum may differ. Silvermine is social distancing to the best of our ability in every studio. We provide hand sanitizer dispensers & touchless thermometers in each classroom. We have Hepa Filters installed in our A/C units that keeps the air clean and constantly flowing.

Please visit our website for more details:

## Silvermine Lunch Bunch:

Come join us for our lunch bunch in-between the morning and afternoon camps.

This is available for free only to campers participating in a full-day of camps. For half-day students, a fee of \$100 will be required to enroll for the week.

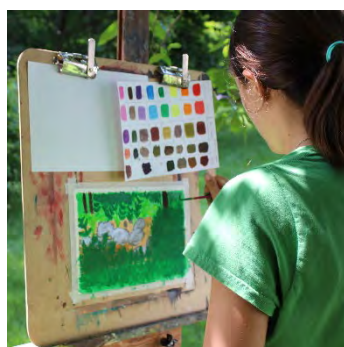

This will be a supervised lunch for the week. A camp counselor will lead the group in free draw and lunch before the next camp starts.

## Camp Check-In:

When you arrive, check-in is at the blue tent in front of the main school building. Please have all forms ready to be checked and collected by a counselor.

Temperatures will be taken once you are signed in.

When you arrive for check-in, please wear a mask at all times and socially distance from others as you wait.

**JUNE 27 – JULY 1**

***Anatomical Figure Drawing (Ages: 15-17)***

Justin Wiest

**Mo Tu We Th Fr | 9:00 AM - 12:00 PM**

**5 Days | June 27 - July 01**

Students will gain valuable knowledge of the human figure with intense observation of the model paired anatomical models. Starting with the axial skeleton, the class will then proceed from broad to specific topics. Notes and diagrams will support the drawing process. In the end students are expected to have a strong portfolio piece as well as a clear path forward in figurative art.

**\$425.00**

***Animation Basics (Ages: 12-17) ONLINE***

R.Lee

**Mo Tu We Th Fr | 9:00 AM - 12:00 PM**

**5 Days | June 27 - July 01**

In this beginner-level online course students will learn the software and principles to make animation. Students will animate the classic ball bounce, elements effects, character walk cycles and more! No prior animation experience is necessary, though students must have access to the program Adobe Animate. Drawing tablets are not required but strongly recommended. We will email you the private meeting link and password 24 hours in advance of the class.

**\$330.00**

***Beginner Metalsmithing (Ages: 14-17)***

Maureen Henriques

**Mo Tu We Th Fr | 9:00 AM - 12:00 PM**

**5 Days | June 27 - July 01**

Learn the basics of metalsmithing and jewelry making! We will explore techniques including sawing, filing, texturing, fusing, soldering, and finishing of metal pieces. You will also learn about cold connections, such as riveting and wire wrapping. Studio safety, setup, and guidelines for all techniques taught will be stressed throughout the week.

**\$415.00**

### ***Fairies, Trolls, Nature & Imagination (Ages: 5-10)***

Marta Kot

**Mo Tu We Th Fr | 9:00 AM - 12:00 PM**

**5 Days | June 27 - July 01**

Young Artists will explore a variety of materials and create works of art including fairies and trolls and the natural environment. Materials may include paint, oil pastel, clay, materials that sparkle and shine, watercolor, clay, more.

**\$385.00**

### ***Glass Bead Making (Ages: 10-14)***

Stephanie Maddalena

**Mo Tu We Th | 9:00 AM - 12:00 PM**

**4 Days | June 27 - June 30**

Learn what glass flame working is all about! Starting at the very beginning, students will learn how to use a torch to melt colored rods of glass to create their own unique beads. Students will use colorful glass rods, silver and copper foils and enamels to personalize their beads. No experience is necessary, but students will be taught a variety of techniques to create more dynamic beads.

**\$330.00**

### ***Landscape Drawing (Ages: 14-17)***

Nomi Silverman

**Mo Tu We Th Fr | 9:00 AM - 12:00 PM**

**5 Days | June 27 - July 01**

Working outdoors, around the beautiful Silvermine campus, students will explore the many facets of the landscape. We will explore composition, develop tonal sketches, achieve perspective; and translate it all into a dynamic landscape. Through demonstration and personal artistic guidance, each student will develop their unique artistic voice and gain informed and valuable skills. Students may work with a variety of drawings to learn the traditional techniques such as proportion, shading, and composition.

**\$385.00**

### ***Pottery Discovery (Ages: 6-9)***

Jon Puzzuoli

**Mo Tu We Th Fr | 9:00 AM - 12:00 PM**

**5 Days | June 27 - July 01**

Let your child's love of clay continue and build in this pottery workshop. Each day will have a unique project that gives each student room to explore their own spin on a topic. More sculptural elements and advanced techniques will be explored. We will use slabs, pinch pots, coils and various texturing tools to turn a lump of earth into a piece of art! The last day we will add color with under glazes. Clay pieces take three to four weeks to be fired. The school office will notify parents when pieces are ready to be picked up.

**\$415.00**

### **Wood Worlds (Ages: 10-13)**

Aron Johnston

**Mo Tu We Th Fr | 9:00 AM - 12:00 PM**

**5 Days | June 27 - July 01**

In Wood Worlds, students will use wood carving and assemblage techniques to create anthropomorphic and zoomorphic forms and bring their imaginations to life. Projects will take nature as their inspiration, with students turning forms found in the natural world into fantastic three-dimensional wooden sculptures. Along with the basics of wood-working skills, students will learn how to harness their powers of observation and creativity.

**\$395.00**

### **Youth Art Studio (Ages: 9-13)**

Wendy MacCordy

**Mo Tu We Th Fr | 9:00 AM - 12:00 PM**

**5 Days | June 27 - July 01**

Students will create a portrait, still life and landscape. A different art technique will be introduced each day giving the young artist a chance to have fun exploring a variety of materials. There will be an overview of composition, perspective, and color mixing with drawing, water-based painting and mixed media. Projects will change each session for students who wish to repeat.
