

Jewelry Open Studio

Jewelry Open Studio provides current students with an opportunity to practice and advance their skills outside of class time. During open studio hours, students may work on furthering their jewelry skills while working with various tools and materials. While there will be a studio manager present at all times, instruction will not be provided.

Students enrolled in a current session are entitled to 3 hours of Open Studio for each week of the session in which they are enrolled in a course, for the amount of \$30.00 per session. Please view the schedule of open studio dates for each specific program below.
