1028 Silvermine Rd, New Canaan, CT

The school office is located across the street from the main building, to the left of the Silvermine Market.

School Policies

The Silvermine School of Art continues its legacy of art education by offering programs for students of all ages, in all levels of proficiency from beginner to advanced.

For information about withdrawals, transfers and reimbursements, please view the policies [HERE](#).

For the safety of students aged 16 or younger, parents are required to drop off and pick up students at the studio location. Youth students may not be dropped off in the parking lot.

Camp Forms: [Click Here](#)

Parents & guardians must fill out a Summer Art Studios Form for their child to attend a Summer Art Studio program at Silvermine Arts Center. They must be completed and submitted to the school office before your child's first day of camp. Further details of the forms can be accessed in each camp listing or by clicking the link above.

Monday Check-In:

When you arrive on your child's first day of Summer Art Studios, **all students MUST check-in at the tent located in front of the main school building every week.** Please have forms ready to be checked by a staff member upon arrival.

A Lunch Bunch Experience:

Enrollment in this program IS NOT automatic. You must call the office if you would like to enroll your child.

A Lunch Bunch Experience is **available free of charge to campers participating in a full-day** of camp only. Students participating in a half-day camp may enroll in the lunch period for a fee of \$100, if spots are available. **Priority registration is given to full day campers.** Decisions regarding availability will be made 1 week before the program start date.

Lunch Bunch will be held in an outdoor setting allowing campers to eat lunch in a safe and supervised environment. If there is rain, students will eat indoors. Children will be able to have lunch, engage in free draw, small art projects and board games during the hour. The campers will be escorted to and from their lunch period by a camp assistant. Campers should bring a nut-free lunch and something to drink.

Abstract Painting (Ages: 14-17)

Eric Jiaju Lee

Monday - Wednesday | 1:00 PM - 4:00 PM

3 Days: July 01 - July 03

The purpose of this course is to learn how to engage abstraction through painting (in acrylic). Designed for all skill levels, students will learn various approaches to abstract painting. Students will be guided in some of these approaches through the context of art historical examples. They will also be encouraged to discover their own personal approach to abstract painting. The ideas and techniques that students will learn are: semi to absolute abstraction, geometric abstraction, organic abstraction, process-based abstraction, and atmospheric abstraction. To achieve certain results, students will be learning new and unique approaches that depart, sometimes wildly, from traditional painting methods. Ultimately, this course is meant to demystify what abstract art is, and to allow students to experience the powerful expressiveness of abstract painting.

Rainbows in Painting with Fairies & Trolls (Ages: 5-10)

Marta Kot

Monday - Friday | 1:00 PM - 4:00 PM

5 Days: July 22 - July 26

Mixed media on canvas and clay exploration. Marta's Summer Art Studio encourages open ended experimentation, exploration, and appreciation while learning about the properties of art materials. Children are provided with a creative environment to engage with imagination, and to communicate meaning in their artwork while developing friendships. They will be introduced to a variety of techniques, engaged in play, and they will develop their creative abilities to self-express and see the world in new ways. Each day will include a variety of materials and an outdoor recess with games and stories about well-known artists. Paint and clay are explored every week. Other materials may include watercolors, wood, metal, ink, oil pastels, fabric, things that shine, beads, paint markers and more. Gentle discussions about the artwork in progress will take place and art history will be introduced. Children may work in the art studio, explore the lush Silvermine outdoor environment, and visit the Silvermine galleries & exhibitions. Marta's sensory rich studio environment is designed to make one's learning more complex while supporting imagination and play in a caring environment.

Abstract Painting (Ages: 14-17)

Eric Jiaju Lee

Monday - Friday | 1:00 PM - 4:00 PM

5 Days: July 22 - July 26

The purpose of this course is to learn how to engage abstraction through painting (in acrylic). Designed for all skill levels, students will learn various approaches to abstract painting. Students will be guided in some of these approaches through the context of art historical examples. They will also be encouraged to discover their own personal approach to abstract painting. The ideas and techniques that students will learn are: semi to absolute abstraction, geometric abstraction, organic abstraction, process-based abstraction, and atmospheric abstraction. To achieve certain results, students will be learning new and unique approaches that depart, sometimes wildly, from traditional painting methods. Ultimately, this course is meant to demystify what abstract art is, and to allow students to experience the powerful expressiveness of abstract painting.

WEEK 7: JULY 29 – AUGUST 2

Morning Programs: 9am – 12pm

Early Years: Exploration & Process Art (Ages: 3-6)

Lori Bloom

Monday - Friday | 9:00 AM - 12:00 PM

5 Days: July 29 - August 02

Process art is a way of exploring materials without being overly concerned about the final project. It's a time to play, create, get messy and just have fun! Your Amazing Little Artists will use a variety of materials to explore with in this studio class. Students will be exposed to story books, paint, oil pastels, watercolors, tissue paper, cutting, gluing and more! Friday is slime day! This class is hands on and can be super messy! Please send an extra set of clothes in with your child, along with a water bottle and a peanut free snack!

\$425.00

Relief Printmaking (Ages: 15-17)

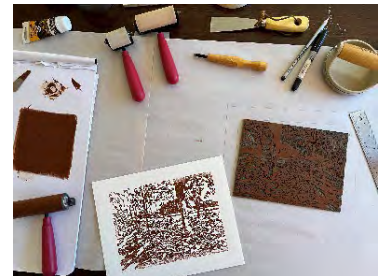

Evelyn Harvey

Monday - Friday | 9:00 AM - 12:00 PM

5 Days: July 29 - August 02

This course explores the process of relief printing by reducing the printable surface through carving tools to create an image. Students sketch and plan their own unique design, carve a block, prepare paper, ink, and print a final image. Students determine their image by considering the carving process, inking, and layering abilities of printing. Through instructor demonstrations students develop their own design, and implement the relief printmaking process. The course encourages group critique and discussion, and provides one on one instructor feedback.

Animation 2.0 (Ages: 12-17)

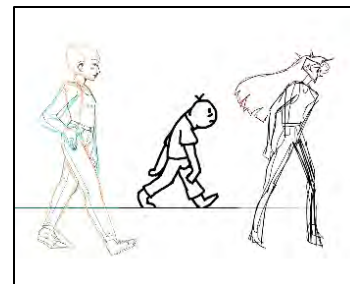

R.Lee

Monday - Friday | 9:00 AM - 12:00 PM

5 Days: July 29 - August 02

In this remote/online intermediate-level animation course students will learn how to incorporate multiple moving elements into one piece, morph objects, create puppet rigs, and apply lip sync/audio to their work. To participate in this class, students must own a drawing tablet, the software CCAanimate, and some basic understanding of animation (taught in the "Animation Basics" / or learned at home with appropriate software and hardware).

\$350.00

Youth Art Studio (Ages: 10-13)

Wendy MacCordy

Monday - Friday | 9:00 AM - 12:00 PM

5 Days: July 29 - August 02

Students will create a portrait, still life and landscape. A different art technique will be introduced each day giving the young artist a chance to have fun exploring a variety of materials. There will be an overview of composition, perspective, and color mixing with drawing, water-based painting and mixed media. Projects will change each session for students who wish to repeat.

\$435.00

Tile Sculpting (Ages: 11-14)

Julia Murphy

Monday - Friday | 9:00 AM - 12:00 PM

5 Days: July 29 - August 02

In this fun, hands-on workshop, kids will create ceramic tiles, using a relief sculpture method! Using drawing and sculpting techniques, students will sketch, build, and carve pictures into foam and plaster to make 3D images. They can then choose to paint their plaster tiles or use them as easy press molds to make copies in clay to be fired. A great activity for kids who love to draw and want to try clay, and a lovely way to make creative personalized gifts for family and friends!

Youth Landscape Oil Painting: Interacting with your Environment (Ages: 14-17)

Justin Wiest

Monday - Friday | 9:00 AM - 12:00 PM

5 Days: July 29 - August 02

This class seeks to make art from the world we live in. By applying the theories of composition to our environment and looking in new way, things become more interesting. The way the sun hits a tree near a pond can make a very powerful artistic statement if done with purpose and understanding. Examples of previous works and instructors demonstrations will help guide the students to make satisfying decisions. In case of rain we will work from photography and/or under the main building breezeway.

Create in Clay (Ages: 7-9)

Zach Dunn

Monday - Friday | 9:00 AM - 12:00 PM

5 Days: August 19 - August 23

During this week-long studio, your child will create multiple 3-D works of art from clay. Each day will involve making different objects from their imagination through various projects and guidelines. Slabs, pinch pots, coils, and additional techniques will be utilized and explored. The artworks created will have underglaze applied to add color and excitement to their finished creations. Clay pieces take three to four weeks to be fired. The school office will notify parents when pieces are ready to be picked up.

Relief Printmaking (Ages: 15-17)

Evelyn Harvey

Monday - Friday | 9:00 AM - 12:00 PM

5 Days: August 19 - August 23

This course explores the process of relief printing by reducing the printable surface through carving tools to create an image. Students sketch and plan their own unique design, carve a block, prepare paper, ink, and print a final image. Students determine their image by considering the carving process, inking, and layering abilities of printing. Through instructor demonstrations students develop their own design, and implement the relief printmaking process. The course encourages group critique and discussion, and provides one on one instructor feedback.

Summer Birds, Eagles & Owls (Ages: 5-10)

Marta Kot

Monday - Friday | 9:00 AM - 12:00 PM

5 Days: August 19 - August 23

Mixed media clay sculpting and painting on canvas. Marta's Summer Art Studio encourages open ended experimentation, exploration, and appreciation while learning about the properties of art materials. Children are provided with a creative environment to engage with imagination, and to communicate meaning in their artwork while developing friendships. They will be introduced to a variety of techniques, engaged in play, and they will develop their creative abilities to self-express and see the world in new ways. Each day will include a variety of materials and an outdoor recess with games and stories about well-known artists. Paint and clay are explored every week. Other materials may include watercolors, wood, metal, ink, oil pastels, fabric, things that shine, beads, paint markers and more. Gentle discussions about the artwork in progress will take place and art history will be introduced. Children may work in the art studio, explore the lush Silvermine outdoor environment, and visit the Silvermine galleries & exhibitions. Marta's sensory rich studio environment is designed to make one's learning more complex while supporting imagination and play in a caring environment.
